- male
 female
 I prefer not to say

City of residence:

Country of residence*:

Occupation*:

- Student
 Academic staff
 Other

IF Student or Academic staff*: specify at which University are you regularly enrolled/working for the academic year 2021-2022?

IF Other: specify occupation and employing organisation

Mobile number:

Participation in the Green4C course*

Did you attend the e-learning course: Green Care - from theory to entrepreneurial practice?

Yes

No

Background

Could you please briefly describe your learning and working background, explaining whether you have any experience in Green Care? (max 5 lines)

Are you applying individually or as a representative of a team?

Your CV*: upload PDF file, max 5mb

Motivation letter in English*: max 700 words, upload PDF file, max 5mb

Part II - Your Green Care idea

Link to your Green Care idea*

Please tell us what business/project idea you would like to implement in the Green Care sector. To present your idea you can use the media you prefer, written or graphic (e.g.video, PowerPoint presentation, infographic, etc.). Business/project ideas can involve one or more Green4C's thematic sectors, i.e. Forest-based care, Urban green care, Social agriculture, and Green care tourism. We will download your presentation directly from the link you provide.

For information write to info@greenforcare.eu.

Part III - Internship

At the end of the 4-week study period at the Green4C Summer School, you'll have the possibility to participate in an additional internship period hosted by a Green Care initiative, or by an organization supporting this sector (such as Universities, Research centers, consulting enterprises, etc).

The internship is a professional learning experience aimed at allowing participants to visit and work with a Green Care initiative for a short period, thus applying the knowledge acquired in the School. Please, consider that the internship period is generally unpaid, unless the host initiative decides otherwise and undertakes to pay a contribution to partially cover the expenses incurred by the intern.

For further information on the internship period, please consult the FAQ section at this link: www.greenforcare.eu/summer-school or write to info@greenforcare.eu.

To better organize this internship and twin you with the initiative most in line with your needs, we need to gather some preliminary information:

Are you interested in an internship in an organization active in Green Care?*

- Yes
- No

If your answer is yes, you will have to answer the following questions:

For how long?*

- 1 week
- 2 weeks

Preferred period*:

Where?*

- In my country of residence
- Abroad

What are your preferred Green4C thematic sectors?*

Please rank each of the following items in order of preference, with 1 being the most preferred sector and 4 the least preferred. Find out more about the Green4C thematic sectors [here](#).

- Forest-based care
- Social Agriculture
- Green Care Tourism
- Urban Green Care

Part IV - use and disclosure of information

The information entered in the previous sections of the form will not be disseminated publicly. In order to give maximum visibility to the selected ideas, we ask you to provide us with the following information, which will be made public on the web and social channels of the Green4C project.

Your name and surname*

The names of the 25 winners will be published on the Green4C website.

Your LinkedIn profile

The problem you want to solve

A short description of your idea

We suggest you not to enter sensitive information

The link to your Green4C profile

All candidates should apply to the [Green4C alliance](#).

I accept to subscribe to the Green4C newsletter*

I authorize the treatment of my data*

The personal data collected in this form are processed by Etifor SRL in compliance with the GDPR (<https://www.greenforcare.eu/privacy-policy/>) and will be kept exclusively for the organization of the activities of the "Green4C" project for the duration of the project itself. The data may be transferred to the project partners for organizational and information purposes only for the activities related to the project. Respondents can exercise their rights under Articles 15 to 22 of EU Regulation 679/2016, where applicable, by sending an email to privacy@etifor.com or by clicking on the link to unsubscribe contained in all newsletters. The project leader is the University of Padua.
